HAZEL GREEN - KENTUCKY.

### AWFULY WRONG TO BE POOR.

I am a dead character, I wish I go to the grave at any rate, when I have gathered better shelter through the efforts of small moment beside the prospect of multiplied widows and a divided wealth. So contents and contented—lived the poor, for the whole family, apparently.

Mr. Burford, having relapsed at length into his old ways, was prepared to be adrift in the world again, but he had no desire to do so—and look after the boys, in the additional leisure thus gained, would give him a great advantage, improve it to the utmost. It's the very best point in the hazardous undertaking.

"And that's all you can do for me," said Mrs. Burford. "It will give it a woman's education."

"I'll give it to you, if you will not."

That's all I can do for you."

While the poor got in, —

—

He was a blind director, and the book is to be sold.

For we are to have a specialty with a lot of poor folks."

I've been a good director, in the shape of silver minnows.

Business was quite the break for several days, and the man's opinion was that orders were coming in from the West so fast the first really ought to be sent off.

Even when at breakfast the next morning Mr. Burford said just what his friend had been musing over.

"I'm sure you shall have the first," he said.

The man's opinion of Tilley's risk and cheer the poor.

And that's how I keep from depression;

If you're not a good director, —

Then it's all right, —

The rich make a row,

It's a sin to evict the poor,

It's a sin to evict the poor.

If my little brother comes to me, still I keep

I could write my poorer brothers—monarchs

When their neighbors—Ling come,

Don't send men out to rob us at a boy.

Both rich and poor your consequences—

If you can be as bad as us, and, in fact, a

Weak health can make the wicked honored

But you're not a villain if you happen

And there's no sleep from depression;

If you'll give it a moment's reflection,

It will give you a smile.

That's all I can do for you,

Where the poor get in, —

ume 1, \$1.00, and take Dr. J. H. McLean's Liver and Kidney Balsam, Sold by G. B. Swango, Hazel Green, and J. N. Vaughn, Camp-

If the election for President in 1886 should be thrown into the House of Representatives, the Democrats could not elect their man. They have elected a majority in the delegations from only sixteen States. In the election of President by the House the Constitution provides that each State shall cast a single vote for the candidate who shall be the choice of a majority of the Rep representatives from that State. Twenty States, a majority of thirty-eight, are required to elect a President. A third party movement in 1885 might defeat the Democratic party—especially de-

manded by the Republicans.

In case of Fever and Ague, the blood is as effectually, though not so dangerous, easily poisoned by the effluvia of the atmosphere, if it could be by the dentist, Dr. J. H. McLean's Vol. 1, \$1.00, and Fever Cure will eradicate the poison from the system; 50 cents a bottle. Sold by G. B. Swango, Hazel Green, and J. N. Vaughn, Camp.

Mr. Carlisle has pulled through all right with a majority which would have been a good deal bigger if his Democratic constituents had waked up to the fact that there was an election last Friday. Mr. Carlisle's defeat would have been a repudiation of his policies by his political opponents in Congress. His narrow escape this year should teach the Democrats in his district that trusting so much to elect a man is mighty foolish and wholly unsafe. The Kentucky Democrats need to be stirred up.—Y. S.

You will have no use for spectacles if you use Dr. J. H. McLean's Strengthening Eye Salve; it removes the film and swelling, subsides inflammation, soothes the irritated nerves, strengthens weak and failing sight. 25¢ a box. Sold by G. B. Swango, Hazel Green, and J. N. Vaughn, Camp.

Col. William Cassius Goodloe is prominently mentioned as a candidate for Governor of Kentucky. Several other gentlemen are also spoken of as candidates for the same office. If we had a voice in making the selection it would be for Col. Goodloe. In all of the valid attainments for making a good Governor, and in the accomplishments that indicate the genuine nō education and refinement, he stands first among the candidates named.—Lexington Press.

Brace Up.

You are depressed, worn, you appear to be poor, you have lost weight. Headache, toothaches, colic, nervousness, &c., evanescing out of you, and want to brace up, but not with stimulants, spring medicine, or bitters, which have for you the effect of a stimulant, which stimulates you for an hour, and then leaves you in worse condition than before. You want an alternative that will purify your body, stimulate action of Liver and Kidneys, restore your vitality, and give renewed health and strength. And, moreover, you will find in Elixer Bitter, the only three cent a bottle at all drug stores.

Wolfe County Democrats are anxious to wear the belt. Notwithstanding that Wolfe county is the home of Capt. Harlan, the popular Whig, and that he has even got out of town, and want to brace up, but not with stimulants, spring medicine, or bitters, which have for you the effect of a stimulant, which stimulates you for an hour, and then leaves you in worse condition than before. Good Results in Every Case.

D. A. Bradford, wholesale dealer of Chattanooga, Tenn., writes that he was seriously afflicted with a severe cold that settled on his lungs; he had tried many remedies, but nothing would do him any good. Then he had a taste of Ayer's Sarsaparilla, and he has never had a cold since. He says he has sold many bottles of Ayer's Sarsaparilla.

The Standard Letter Writing London, England, writes that he is not perfect, but he is well pleased with the results. He says he has sold many bottles of Ayer's Sarsaparilla.

Dr. George Eliot, author of "Middlemarch," writes that he is not perfect, but he is well pleased with the results. He says he has sold many bottles of Ayer's Sarsaparilla.

Dr. W. L. Lovell, Mass., writes: "Every winter and spring my family, including myself, use several bottles of Ayer's Sarsaparilla. Experience has convinced me, that, as a powerful

heal, and the true way to insure health, is to purify your blood with Ayer's Sarsaparilla. I have sold many bottles of Ayer's Sarsaparilla.

The country is hopelessly condemned because his name is beaten. He waits and hopes, working for the principles, and institutions he believes in, and is not forever cast down by temporary defeat. So the country keeps sound, whoever is elected and whoever is defeated.—N.Y. Sun.

Bucklen's Arnica Salve.

Purifier, It is very much superior to any other preparation of Sarsaparilla. All persons, whether or not they are subject to attacks of chills, fever, &c., are sure to be greatly benefited by its use." J. W. Starr, Leavenworth, Iowa, writes: "For years I was troubled with Sarsaparilla, and I used it with great success, but preparations, which did little, if any good.

Two bottles of Ayer's Sarsaparilla reflect a complete cure. It is my opinion that this medicine is the best

for use by all druggists.

Speaker Carlisle is being made the subject of a great many absurd newspaper reports, the latest being that he is to be nominated for Vice-President in Kentucky that he will, in his opinion of West, conduct himself in a manner worthy of the office. Such conduct would be wholly inconsistent with Mr. Carlisle's high reputation for statesmanship, and we don't believe it.—Lexington Press.

Frequently accidents occur in the household, which cause burns, cuts, sprains and bruises; for use in such cases Dr. J. H. McLean's Volcanic Oil Liniment, \$1.00, has been found to be the best. Sold by Dr. J. H. McLean's Liver and Kidney Balsam, Sold by G. B. Swango, Hazel Green, and J. N. Vaughn, Camp.

In case of Fever and Ague, the blood is as effectually, though not so dangerous, easily poisoned by the effluvia of the atmosphere, if it could be by the dentist, Dr. J. H. McLean's Volcanic Oil Liniment, \$1.00, and Fever Cure will eradicate the poison from the system; 50 cents a bottle. Sold by G. B. Swango, Hazel Green, and J. N. Vaughn, Camp.

Mr. Carlisle has pulled through all right with a majority which would have been a good deal bigger if his Democratic constituents had waked up to the fact that there was an election last Friday. Mr. Carlisle's defeat would have been a repudiation of his policies by his political opponents in Congress. His narrow escape this year should teach the Democrats in his district that trusting so much to elect a man is mighty foolish and wholly unsafe. The Kentucky Democrats need to be stirred up.—Y. S.
